A 4th-year BSIT-MAA student from National University - Manila with hands-on experience in social media content creation and design, seeking a marketing internship to gain real-world experience from people in the professional field and support campaigns and visual branding. I thrive in conceptualizing and synthesizing new ideas.

Skills

- **Design and Animation:** Adobe Photoshop, Canva, Figma, Clip Studio Paint, Photopea, Toon Boom Storyboard Pro, Storyboarding
- **3D:** Blender, 3D Modeling, Retopology, UV Unwrapping, Cell Fracture
- **Office and Collaboration:** Microsoft Word, Excel, Teams, OneDrive; Google Docs, Sheets, Meet, Drive
- **Soft skills:** Collaborative, Adaptive, Flexible
- **Languages:** English (TOEIC 855/990), Filipino

Experience

2023 – 2024
NU Wizards Circle | *Multimedia Production*

- Designed 6 publication materials for the General Assembly Christmas Party, published on NUWC's Facebook page using Photopea

August 2025 - October 2026
ARtifacts: A Gamified AR Platform with 3D Museum Artifacts for Historical and Cultural Preservation | *3D Artist (Retopology)*

- Retopologized and cell-fractured 7 high-poly 3D models into clean, low-poly meshes with proper edge flow and digitized 20 interpretive artifacts using Blender
- UV unwrapped and prepared models for texturing
- Collaborated and presented with a team of 6 for the development of ARtifacts
